

Level 2 Extended Certificate in **Understanding Stewarding at Spectator Events**

Key info

Type of qualification: QCF

Credit Value: 18

Course overview

The security industry is one of the fastest growing industries in the UK, with stewards being used at a variety of spectator events. This explains why security services company G4S is the world's third largest private sector employer, with more than 620,000 employees. It also explains why there are nearly 400,000 people within the UK holding a Security Industry Authority (SIA) licence.

This course is the perfect introduction into the industry, with a proven success record of over 1,000 G4S employees already completing this qualification. Learners will develop an in depth knowledge and understanding of the key concepts which underpin spectator control, crowd monitoring, communication at events, safeguarding and health and safety.

Level 2 Extended Certificate in **Understanding Stewarding at Spectator Events**

Who is suitable?

This qualification is aimed at anyone considering a career in stewarding at spectator events. It is also suitable for anyone already working in the industry who wishes to formalise and further develop their existing experience and skills.

Learning method

Studying via distance learning means you can choose when and where you study.

This course is available:

The online course is available on The Skills Network's online learning platform, **EQUAL**. Online learning with a difference, **EQUAL** features:

- **Exciting and engaging content**
- **Interactivity – featuring videos and games to enhance learning**
- **Virtual tutors who offer hints, tips and guidance throughout the course.**

What you will learn

This course is split into eight manageable units:

- Unit 1:** How stewards control the entry, exit and movement of spectators at events
- Unit 2:** How stewards monitor crowds and respond to potential crowd problems at spectator events
- Unit 3:** How stewards prepare for spectator events
- Unit 4:** How to respond to injuries, illnesses and other emergencies in active leisure and learning
- Unit 5:** Understand how effective teams work
- Unit 6:** Health and safety in a work environment
- Unit 7:** Fire safety principles
- Unit 8:** Safeguarding children and vulnerable people at spectator events.

Benefits

- Gain a nationally recognised qualification
- Create a long-standing career pathway within the security industry
- Courses are delivered as distance learning, allowing learners to choose when and where to study
- Personal tutors are assigned to ensure learners have the support needed to succeed.
